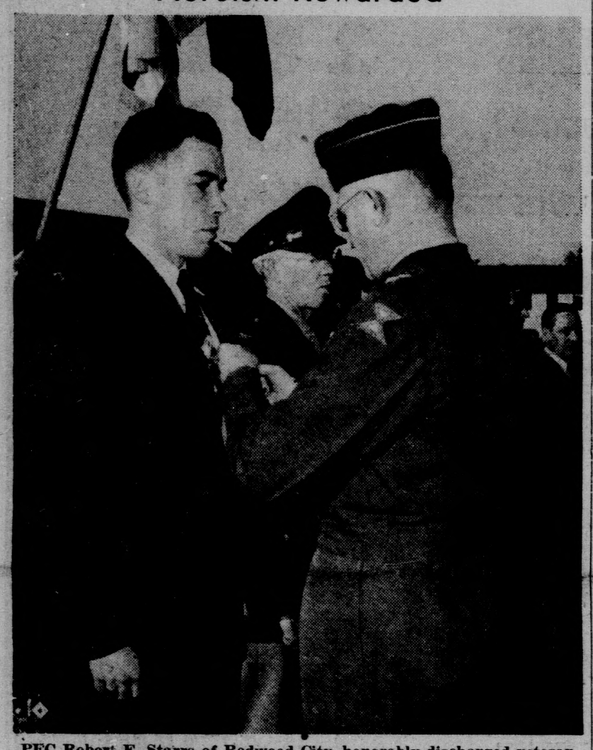
Surplus, But Not Available

These are some of the hundreds of vehicles stored at the U. S. Marine Base at South San Francisco that have been declared unessential, but not being offered to the public. The above trailer-trucks, plus other types of vehicles would be welcomed by business firms and private parties who are thirsty for motorized transportation for pleasure and business.

Heroism Rewarded



PFC Robert E. Starrs of Redwood City, honorably discharged veteran, receives the Silver Star Medal from the commanding general during ceremonies at the Presidio in San Francisco.

Veteran Receives Silver Star For Capture of Ten Germans

The Silver Star for singlehandedly capturing 10 German prisoners on Nov. 15, 1944, in France was pinned on discharged PFC Robert E. Starrs of Redwood City during retreat ceremonies at the San Francisco Presidio last week, the army reported Tuesday.

Maj. Gen. Frank D. Merrill awarded the medal to the former soldier. Six other soldiers received the Bronze Star and one the Legion of Merti during the ceremonies.

The citation accompanying the Silver Star reads:

"For gallantry in action against the enemy in France on Nov. 15, 1944. During a flanking attack against dug-in enemy positions, Private Starrs' company was held up by a strongly defended dugout. He promptly attacked this strongpoint singlehandedly, firing his rifle and throwing grenades until he was wounded.

"Despite his wound he continued to fire on the enemy until the 10 occupants of the position surrendered. Private Starrs' courage, aggressive fighting spirit and fidelity to duty are deserving of the highest praise and reflect great credit upon himself and the military service."

Starrs was seriously wounded during the fighting and was hospitalized in France and England for chest injuries. He arrived back in the United States in February, 1945, and was hospitalized in Southern California. He was discharged last Fall and has resumed his studies at Stanford University.

The young veteran is the son of Mr. and Mrs. G. E. Starrs of 330 Edgewood Rd. He is a 1943 graduate of Sequoia High School and was past master councilor of the Redwood City Chapter, Order of De Molay.

Starrs holds the Combat Infantryman's Badge and the European Theater ribbon with stars. He served with the 44th Infantry Division of the Seventh Army.

Police Investigate Possible Arson

Redwood City police recently were investigating a possible case of arson at Sequoia Union High School. Police Lt. S. D. Wood said that authorities had been working on the case since Monday when remnants of an attempted bonfire were discovered in a detached building on the high school grounds.

The lieutenant said that there was a possibility the charred remains of paper which police found were nothing but an attempt at a prank. He said that a pupil, seeking to create a sensation, might have emptied a waste basket, started the fire and watched it until it went out, leaving the charred papers to cause a shock. On the other hand, he admitted that it might have been an attempt at arson.

A. C. Argo, high school superintendent, said the fire blazed in a former school bus garage which has been converted into an engine and ornamental iron shop. The shops are situated approximately 200 feet from the main high school buildings and were constructed in 1924.

They had been closed from Thursday evening until yesterday noon when Wallace Wells, a teacher, entered the engine shop and found the papers. Argo said there were signs of burnt oil and paper. A window, the superintendent continued, was found open and it is believed by him that it was forced.

Judge Scott Denies Annulment Plea

Superior Court Judge Edmund Scott, in his second week as judge, Wednesday cracked down on the lax policy long prevalent in San Mateo County in granting annulments by refusing to grant an annulment to a naval officer—the first refusal here in years that courthouse aides can remember.

Judge Scott told reporters following the court session that he is going to draw a line on annulments and divorces. He said it had been more or less common practice of attorneys from other counties to bring annulment cases to this county.

"We are going to enforce the law," Judge Scott declared. "We will distinguish between annulments and divorce cases."

The annulment petition that was denied was filed by Lt. (jg) Jack A. Walker against Florence L. Walker. The couple was married at St. Thomas in the Virgin Islands Mar. 22, 1941. When the lieutenant returned to the United States from Japan Jan. 17, he found that his wife was expecting a baby of which he was not the father. A statement by his wife verifying this was introduced into court.

Judge Scott told Henry B. Nathan of San Francisco, attorney for Walker, that "you have proved undoubtedly a good divorce case, but you have not proved an annulment."

15 Injured In Week-End Accidents

Accidents during heavy weekend traffic in San Mateo County resulted in injuries to 15 persons, police and county highway patrol authorities explained Monday.

Rear-end automobile accidents caused five injuries to motorists yesterday on Bayshore Hwy., Redwood City police said. Police Lt. S. D. Wood said there were two "overtaking" accidents Sunday involving seven cars. Five persons were sent to Community Hospital for treatment as a result.

At 6:08 p.m. there was a four-car pileup on Bayshore south of Rogers St., followed by another at the same place at 6:31 p.m. The second accident, Wood said, was probably caused by the lead motorist slowing for flares put out at the time of the first crash.

Injured in the first accident were Robert Bermudes, 4, and Elwood Daly, 38, 595 22nd Ave., San Francisco. Young Bermudes suffered a bump on his head and Daly a possible rib fracture.

Drivers of the four cars in the first smash were Peter J. Bermudes, 36, 294 North Bayview Ave., Sunnyvale; Frank A. Daymon, 46, 2223 Balboa St., San Francisco; William H. Rose, 39, 432 Sanchez St., San Francisco; and John W. Sumbay, 29, 461 Hammond St., Pasadena. The first three drivers were headed northward, police said, while the fourth was proceding southward.

Injured in the 6:31 p.m. accident were Alma Thomas, 40, and Lois Wills, 23, both of 957C Stalker Way, Alameda; and William F. Hale, 26, 2750 Stevens Creek Rd., San Jose. The two women were treated at Community Hospital for injured knees and Hale suffered a cut on his nose.

Drivers involved in this crash were Hale, Shiziro Suyeyasu, 42, 1912 Fillmore St., San Francisco; and Samuel M. Leonard, 48, 957C Stalker Way.

Robert F. West, 31, 217 Madison Ave., a Redwood City policeman, suffered minor injuries at 12:10 a. m. Sunday when the automobile in which he was riding with Police Officer William L. Faulstich, 30, 265 Roosevelt Ave., and one driven by Joe R. Ferriera, 25, 217 Beresford Ave., collided on Middlefield Rd. north of Second Ave.

The policemen were chasing Ferriera for speeding. The accident occurred when the police car pulled alongside Ferriera's automobile. Ferriera was cited for speeding and reckless driving. The accident was investigated by the California Highway Patrol.

Four persons were injured in a rearend collision on Bayshore Hwy. near Mills Field Saturday night when cars driven by Donald E. Rhinehart, 24, San Francisco, and V. C. Luiz, 37, San Francisco, collided.

Rhinehart suffered facial abrasions, as did Raymond Fales, 28, San Francisco. Eleanor Luiz, 17, daughter of one of the drivers, suffered contusions of the left foot, and Robert Luiz, 14, suffered contusions of the right knee. All were treated at South San Francisco Hospital and dismissed.

Three persons were hurt in a Skyline Blvd. accident Sunday at 10:05 a. m. when the car driven by Lyman Ballard, 1629 Cypress Ave., San Mateo, skidded out of control.

Ballard suffered a left shoulder fracture. Margaret Lottner, 17, suffered head abrasions. John Riggs, 17, 2645 Flores Ave., San Mateo, was taken to Mills Memorial Hospital with minor injuries.

Adele Elfstrum, 48, Oakland, suffered injuries when the car driven by Axel E. Elfstrum, 58, hit the steel railing on Dumbarton Bridge at 8 p.m. Sunday. She was being treated today at Palo Alto Hospital for mild cerebral concussion and multiple contusions of the face, shoulder and arms. Elfstrum gave his occupation as Oakland building inspector.

William Norton, 35, 1120 Sanchez Ave., Burlingame, painter, was treated at Mills Hospital for minor injuries suffered at 12:15 a. m. Sunday when the motorcycle he was riding skidded out of control on Coast Hwy.

Gene R. Buswell, 21, 207 Sequoia Ave., was arrested by the California Highway Patrol at 11:30 p. m. Saturday on Sequoia Ave. on a charge of drunk driving. He has been released on $100 cash bail.

$3000 Burglary Of Auto Co.

Burglars ransacked the Snowberger Garage and Packard Agency just north of the city limits of Redwood City Tuesday and escaped with a '40 Packard sedan, six sets of mechanics tools and other garage implements valued at more than $3000, San Carlos Police Chief Edward J. Wheeler reported.

Wheeler said the garage was entered sometime between 6:45 p. m. Tuesday and 8 a.m. Wednesday by a person or persons who evidently knew the premises and had special need of garage tools.

Among the articles stolen were an air compressor, a bench grinder, valve seat grinder, sander and polisher, floor hydralic jack, six sets of mechanics tools and $45 in cash from a money sack hidden in the building. The Packard sedan was in the garage for repairs, Wheeler said.

The burglar or burglars first entered the lubricating room by breaking a window and took the air compressor from there, the chief reported. They then entered the main building by kicking a hole in the roof of the lubricating room.

The garage and station are owned by Leo Snowberger of 1132 Laguna St., Burlingame.

Redwood City police were called in to aid in the investigation. The building is located at 1800 El Camino Real, just inside the city limits of San Carlos.

Mission Trail Organization Plans Aired

Supervisor A. S. Hatch Monday was studying organization plans for the Mission Trails Assn. in San Mateo County following an organization meeting at the county courthouse.

Hatch is a member of the executive committee of the organization, formed to foster tourist traffic through the coast counties south of San Francisco.

Claude Hirschey of San Mateo and Hugh Smith Jr. of Daly City were added to the San Mateo County board of directors, and Smith was elected to the central executive board.

Hatch named the following committees:

Highways: Supervisor Thomas L. Hickey, County Engineer M. A. Grant and R. L. Spangler.

Parks and beaches: Hickey, Winfield Scott and Dr. F. M. Stanger.

Finances: Supervisor Martin Poss, Ira Potter and Hirschey.

Membership: Keith Cobo, Smith.

Three Motorists Get Traffic Citations

Redwood City police cited three drivers over the weekend for violations of the vehicle code.

County Gets $1,397,719 In State Bill

San Mateo County's share of the $90,000,000 state allocation for cities and counties for public works projects is $1,397,719.

Of this amount, $648,579 is for the unincorporated area, according to the Senate Journal. This is broken down to $156,951 for roads and $491,628 for other buildings.

Redwood City's share is $111,612.

Allocations to other cities in this county are:

Atherton	$ 17,101.
Belmont	$ 11,015.
Burlingame	$142,864.
Colma	$ 3,173.
Daly City	$ 86,265.
Hillsborough	$ 24,620.
Menlo Park	$ 29,200.
San Bruno	$ 58,427.
San Carlos	$ 31,548.
San Mateo	$173,902.
South San Francisco	$ 59,413.

All projects proposed by the county are eligible for these funds with the exception of the expansion of the courthouse.

Outdoes Herself

TWIN FALLS, Ida. (AP)—Farmer J. W. Atkinson said that one of his white Leghorn hens, ever since she began laying, regularly has yielded double-yolk eggs. Then she outdid herself by laying a triple-yolker that weighed four ounces.

Burglars Ransack Building, Take Tools

A tool shed of the Barton Co., Fifth Ave. and Bay Rd., Dumbarton Oaks, was burglarized sometime Friday of $500 worth of equipment, Foreman J. E. Clark reported to the sheriff's office over the weekend.

Stolen were a surveyor's transit, electric motor, and an electric drill.

The most deaths of children 1 to 4 years old are caused by accidents.

Before discarding a wool skirt that looks worn out, try turning it inside out and redoing the seams.

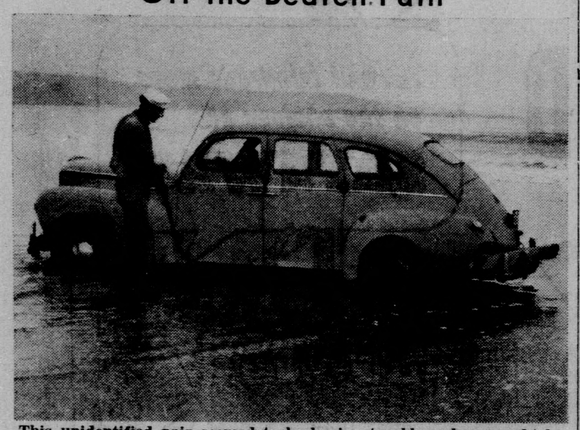
Entered in the Post Office at Redwood City as Second Class Mail Matter under the Act of March 3, 1879.

Off the Beaten Path



This unidentified pair seemed to be having troubles when caught by the Tribune photographer on the coastside recently. The couple had been driving along the beach front at Princeton when they hit some soft sand and the car became imbedded in the surf. "Next time I'll stay on the highway," the discouraged man said. P.S. A tow car finally pulled the auto out of danger just as a high tide was about to sweep the sedan out to sea.

Housing Construction Here Halted by Machinist Strike

L. M. Duncan, Redwood City building inspector, said rectnly that construction of 103 dwellings and seven apartment houses in Redwood City has been affected by a strike by Lodge 68, International Assn. of Machinists.

He pointed out that when the machinists closed the Pacific Portland Cement Co. plant in Redwood City on Oct. 29, builders were left with only a small amount of gypsum board on hand. After that was used up, he continued, they had no place where they could draw more. Other lath plants in the Bay Area were similarly tied up by the same strike, he explained.

Consequently many half-finished dwellings and apartments are waiting for production to start on the lath. After lath is nailed to dwelling interiors, he said, plaster is then put on it and a finished wall results.

Duncan said that in November 15 dwellings and one apartment were started which are now probably waiting for lath. In December 24 dwellings and two apartments were started; in January 44 dwellings, one triplex and two apartments; and in February 20 dwellings and two apartments.

S.M. County Employes Ask Raises

Charging that it is "grossly unfair that San Mateo County employes should be expected to work for a lower scale than they do in San Francisco," the County Employes Assn. today asked the board of supervisors and civil service commission to raise the salary scale for county employes.

In the resolution, the employes asked the civil service commission to recommend to the supervisors that "the present compensation scales be abolished and that the scales in the various classes of employment be established on a basis equal to that of San Francisco."

"It is established that in order for us, the county employes, to be able to maintain a satisfactory standard of living, commensurate with our positions, we must receive an increase above our present compensation scales," the resolution states.

The resolution states that general industries, state and federal employment and municipal and county employment requires an adjustment of salaries that include a substantial increase.

"It is an established fact that the city of San Francisco has conducted an exhaustive survey . . . results of which prove San Francisco employes are entitled to a considerable increase.".

Living costs in the two counties generally are comparable, "usually a trifle higher" in San Mateo County,

Three Justices Seek Re-election

Three justices of the peace Wednesday filed with County Clerk William H. Augustus declaration of intention to seek re-election to their offices.

Filing were Judge Gus B. Risso, Burlingame; Judge John J. Fahey Jr., South San Francisco, and Judge Manuel J. Bettencourt, Half Moon Bay.

Justice of the Peace Hugh F. Mullin Jr. of San Mateo Tuesday took out declaration papers, as did Joseph O'Malley, Burlingame attorney who has announced he will oppose Risso.

Friday is the deadline for candidates to file declaration of intention to seek judicial offices.

San Carlos Council Battles Over Issuance of Permit

The San Carlos City Council voted against issuing a permit to the Gould Construction Co. for a warehouse and office at Holly St. and Old County Rd. Monday during a lengthy debate that preceded discussion of filling the council vacancy.

Again Patrick J. Kearns, building commissioner; Lyle Mewhirter, representing the adjacent property owners, and Atty. Frank Crist representing Gould stated their arguments at length.

Kearns, however, deviated from his previous stand. He said he still held that legally Gould could not be stopped from building but indicated he sympathized with the property owners.

Councilman Kemp said he "could not turn his sympathies away from the people" and "that whether the city was mandated or not, he would not vote in favor of granting this permit."

Kearns voted for the building permit while E. R. Burton, mayor-pro tem, Councilman Truman S. Waterman and Kemp voted against granting the permit. Kearns then proposed that Mewhirter's suggestion to rezone the area be considered. By vote, this matter was referred to the planning commission.

Waterman, as new police commissioner, exercised his powers last night by naming a new officer to be placed on the forces. The appointment of James E. Edling was accepted unanimously.

Burton named a committee to meet with the group recently formed in Redwood City for a hospital district. Named were: Mrs. Harry Wade Mahany, Mrs. H. S. Cooper, Mrs. Mack Bell, S. H. Nielsen. Rene Cazenave, Benjamin Pfeiffer, Herman J. Johnson Jr. and Harold Borchers.

The mayor-pro tem was authorized to sign an agreement concerning the joint sewage disposal plant between Belmont and San Carlos. The largest fees for construction approximating $270,600 would be about $14,000 Anderson stated. He also said plans for the plant looked very favorable now with state funds.

State Tax Examiner To Aid Taxpayers

To assist Redwood City residents in preparing their state income tax returns, an income tax examiner will be stationed in the courthouse, Tuesday, Mar. 12.

Every single person whose net income exceeds $3000 a year and every married couple whose income amounts to $4500 must file state income returns.

PARK FIRE HALTED

Woodside Fire Dept. sent its Portola unit truck to Rossotti Creek park in Portola Tuesday at 11:12 p.m. Firemen said today a small fire in the park building was extinguished before the truck arrived. The Stanford University truck also responded to the call.

Two Bicycles Stolen

Two bicycle thefts were reported today by Redwood City police.

Police Lt. S. D. Wood said that a bike owned by John E. Marcroft, 49 Jeter St., was stolen from a parking place near Hudson St. and James Ave., and that another owned by Ronald Westergre, 610 Bay Rd., was stolen from a parking place near the Southern Pacific Co. station.

The soap trade first began to flourish in Europe during the 13th century.

Sequoia Presents 'Stage Door'

Three Sequoia High School students (left to right), Chester Villalba, Pat Belton and Stanley Cottrell, rehearse a scene from "Stage Door," which will be presented at the high school in a matinee performance Friday, Mar. 1, and in the evening, Mar. 2. Mrs. Grace D. Leonard, drama department head, is directing the well-known Broadway play. —Tribune photo

PUBLIC NOTICE

Norman A. Eisner, Atty.

NOTICE OF TIME APPOINTED FOR PROBATE OF WILL—No. 12851

IN THE SUPERIOR COURT OF the State of California, in and for the County of San Mateo.

In the Matter of the Estate of Arthur M. Paulson, Deceased.

Notice is hereby given that Monday, the 25th day of March, A. D. 1946, at 10 o'clock a.m. of that day, and the Court Room—Probate Department No. 2 of said Court, at the Court House in Redwood City, in the County of San Mateo, State of California, have been appointed as the time and place for proving the will of Arthur M. Paulson, deceased, and for hearing the application of Emma H. Paulson for the issuance to her of Letters Testamentary thereon. Reference to said petition is hereby made for further particulars.

(SEAL) W. H. Augustus, Clerk; by Lydia Ricci, Deputy Clerk.

Norman A. Eisner, 1074 Mills Bldg., San Francisco, Calif., Attorney for Petitioner.

Dated February 25, A. D. 1946.

(Endorsed) Filed Feb. 25, 1946. W. H. Augustus, Clerk; by Lydia Ricci, Deputy Clerk.

Mar. 1, 8, 15, 1946

Two Persons Injured In Bayshore Accident

Two persons suffered minor injuries at 7:10 p.m. Tuesday when automobiles driven by John F. Hueschen, 25, Montebello, and one driven by Louis E. Rinkel, 217 Arundel Rd., Burlingame, collided on Bayshore Hwy. south of Geneva Ave., Bayshore City.

Injured were Hueschen and Evelyn Tensfelot, 36, of San Francisco, the California Highway Patrol reported.

MOTORIST JAILED

James V. Rogers, 35, Los Angeles, was in the county jail here in lieu of $150 cash bail following his arrest by the California Highway Patrol late yesterday afternoon on Bayshore Hwy. near Burlingame on a charge of drunk driving.

Columbian Squires Practice Investiture

Our Lady of Mt. Carmel Columbian Squires will practice the investiture tonight during their regular meeting in preparation for the investiture they will stage for Hayward Squires Mar. 10.

Taking part will be Jerry Britschgi, Dick Ferrando, Samuel Winklebleck, Bob Wayne, Billy Jordan, Marte Formico, Bob Sylvestri and Henry Thierry. Counselor Bert Jordan will direct the newly organized choir in investiture songs.

A half-teaspoon of celery seed takes the place of one-quarter cup of diced celery in soup.

Call Opposes State Spending

Assemblyman Harrison W. Call of Redwood City Tuesday night told the Exchange Club here that the state fared better with a deficit than it is now with a surplus.

He warned against alarming increases in the expenditures of state government, and particularly against the lackadaisical attitude of the public.

The assemblyman was introduced by Floyd McCue, Redwood City publisher and district governor of Exchange.

Cows, Car Injured In Skyline Collision

California Highway Patrolmen were called upon to corral two cows Tuesday that had been hit by an automobile driven by John B. Boylan, 38, San Francisco, on Skyline Blvd. north of Sneath Ln.

The San Mateo County poundmaster will take charge of the injured cows until the owner is found.

Considerable damage was inflicted on the car.

In the middle ages people were bathed only at birth, at marriage and at death.

1500 Voters Sign Hospital Petition

Mrs. Henry Beeger, chairman of the Redwood City Hospital Study Committee, Tuesday reported more signatures have already been obtained on petitions urging formation of a south county hospital district.

During a meeting of the committee held at the city hall Monday, persons who are circulating petitions within the boundaries of the Sequoia Union High School Dist. reported on progress, Mrs. Beeger said.

Fear Escaped Youth Might Have Drowned in Marshes

Possibility that the 16-year-old Daly City youth who escaped from the county juvenile home here on Washington's Birthday with a 14-year-old companion had drowned in the marshes near Redwood City was not being overlooked by the probation department.

The 14-year-old boy from South San Francisco who walked out of the detention home here and was captured after hiding out in the marshes for several hours, told Asst. Probation Officer Anthony Lovoi that he had narrowly escaped drowning when he fell into a hole and was sucked under in the marshes between Redwood City and San Carlos.

The youth said the last he saw of his companion he was headed across the marshes. A check with relatives and an all-points teletype have failed to find the Daly City youth.

The 16-year-old boy had been placed in the detention home on charges of mail box and car thefts.

40 WAYS TO SAVE ON FOOD

...and hundreds more on the shelves at SAFEWAY

We have listed below about 40 food prices—taken at random from various sections of our stores. They show how much you can save at Safeway. Compare these prices with what you have been paying. WIRE AHEAD for Better Living

ADEQUATE WIRING Certified

You know what you want in the way of new appliances for your home and you are going to have them! An electric washer that does all the work of getting clothes white in a jiffy...a big new refrigerator or one of the marvelous Home Freezers for storing frozen foods...an ironer and an electric dishwasher that washes and dries dishes, silverware, glasses. All these probably will be your proud possessions in the near future. Right now, if you are planning to build a new home or remodel your present one, is the time to make sure your plans include fully adequate wiring to serve these new home servants with full power for lowest operating cost. Adequate wiring consists of these essentials: Plenty of outlets, plenty of light switches and wires large enough to handle your electrical equipment for years to come.
